3rd Annual
Oral and Maxillofacial Surgery Review
University of Illinois at Chicago
Chicago Marriott Downtown • August 10-11, 2013

Course Directors:
Antonia Kolokythas, DDS, MSc
Assistant Professor and Associate Program Director
Department Oral and Maxillofacial Surgery
University of Illinois, College of Dentistry

Michael Miloro, DMD, MD, FACS
Professor and Head
Department of Oral and Maxillofacial Surgery
University of Illinois, College of Dentistry

Continuing Dental Education sponsored by:
University of Illinois, College of Dentistry

Continuing Medical Education sponsored by:
Pfiedler ENTERPRISES
Overview:
This educational activity has been designed to provide a review of current medical and surgical treatment options for patients with oral and maxillofacial surgical needs. Faculty are comprised of experts who will present the latest developments as well as review essential material that will enable attendees to implement changes in their practice that will improve the quality of patient care. Content will include updates on medicine and anesthesia, pathology and trauma, reconstruction and implants and cosmetic facial surgery. Time will be allotted for discussion and a course syllabus with lecture PDFs will provide reference materials for future reference.

Target Audience:
This educational activity is designed for oral and maxillofacial surgeons and residents, general dentists, otolaryngologists, and plastic and reconstructive surgeons. The content provides an update and review of essential elements encompassing their practice.

Needs Assessment:
A comprehensive review of oral and maxillofacial surgery is needed to gain information on the latest developments and treatment options which can then be incorporated into practice patterns. Dentists and surgeons are required to expand their knowledge and update care algorithms in a rapidly changing environment.

Practice Gaps:
Advances in the field of oral and maxillofacial surgery present a challenge to the practicing dentist, surgeon and resident. Incorporating evidence-based treatment options that will enhance patient outcomes is required to keep abreast of trends and establish algorithms for care. There is a need to update diagnostic and treatment methods and interpret them effectively, fine tune and expand appropriately.

Objectives:
Upon completion of this course, attendees should be able to:

1. Implement a systems-based approach to obtaining a medical history, performing a physical examination and conducting a pre-operative assessment.
2. Discuss new advancements in the field of anesthesia, specific to patient age, type of anesthetic and potential complications.
3. Describe dentoalveolar and implant surgery, focusing on complications and management, impacted teeth, prosthodontic considerations and principles of osseointegration.
5. Discuss reconstructive surgery for cleft lip and palate, craniofacial surgery, TMJ surgery and cosmetic facial surgery, including preplanning, postoperative management and complications.
6. Review pathology of benign and malignant lesions, odontogenic cysts and tumors, oral cancer and head and neck malignancy.
7. Compare treatment plans specific to management of the mandible, craniofacial and midface trauma.
8. Describe principles of treatment for infections and BRONJ.

Accreditation Physician:
Pfiedler Enterprises is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation:
Pfiedler Enterprises designates this live activity for a maximum of 21 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Accreditation Dentistry:
The University of Illinois is a recognized ADA CERP provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

ADA CERP® | Continuing Education Recognition Program

ADA Credit Designation:
UIC CDE designates this activity for 21 continuing education credits.

Declaration of Disclosure for Pfiedler Enterprises:
In compliance with the ACCME Standards for Commercial Support, Pfiedler Enterprises provides disclosure and resolution of conflict information for individuals who may control the content of this CME activity. Please visit our website at: www.pfiedlerenterprises.com/disclosure

Educational Grants:
No commercial support received for this course.

Disclaimer:
This continuing education course is offered for your professional development. This course is not endorsed or supported by the American Association of Oral and Maxillofacial Surgeons (AAOMS) or the American Board of Oral and Maxillofacial Surgery (ABOMS).

American’s for Disability Act (ADA Statement):

AdvaMed Code of Ethics:
This course complies with the “Revised and Restated AdvaMed Code of Ethics” effective July 1, 2009. The educational meeting and associated hospitality events are intended solely for the registered attendees and faculty. Therefore, guests/spouses and other healthcare professionals are not allowed to attend. We appreciate cooperation with these guidelines.

Course Location:
The Chicago Marriott Downtown
540 N. Michigan Avenue
Chicago, IL 60611

Accommodations:
Please take advantage of our block of rooms at the:
The Chicago Marriott Downtown
540 N. Michigan Avenue
Chicago, IL 60611
Call for reservations: 1-800-266-9432

Rooms are available for Friday and Saturday night.
Room Rate: $199/plus applicable tax.

Name of the Event is: 3rd Annual Oral & Maxillofacial Surgery Review

Reservations must be made before Saturday, July 20, 2013 to secure this rate. After the cut-off date reservations are based on a space-and-rate-availability.

Exhibitors:
Times for exhibitors are listed on the Agenda. The following is a partial list of exhibitors: Dentsply-Astratech Implant, KLS-Martin, L.P., Lorenz-Biomet, Osteomed, and Synthes Maxillofacial. All exhibitors will be listed in the course syllabus.
Preliminary Agenda:

Saturday, August 10, 2013

7:00 – 7:20 am Registration and Continental Breakfast

7:20 – 7:30 am Welcome and Course Introduction

Michael Miloro, DMD, MD and Antonia Kolokythas, DDS, MS

7:30 – 9:00 am Medicine

Mark Potter, MD

- medical history and physical examination
- pre-operative assessment
- laboratory evaluation
- systems-based approach
- cardiovascular, pulmonary, endocrine, GI, etc

9:00 – 9:15 am Break

9:15 – 10:15 am Medicine (continued)

Mark Potter, MD

- systems-based approach

10:15 – 10:30 am Break/Exhibits

10:30 – 12:30 pm Anesthesia

Vasiliki Karlis, DMD, MD

- adult and pediatric
- local anesthesia
- intravenous sedation
- general anesthesia
- inhalation agents
- complications

12:30 – 1:30 pm Luncheon (included)

1:30 – 2:30 pm Dentoalveolar Surgery

Jason Jamali, DDS, MD

- impacted and erupted teeth
- complications and management

2:30 – 3:30 pm Implant Surgery

Louis E. Halkias, DDS

- principles of osseointegration
- prosthodontic considerations
- adjunctive surgical procedures
- complications and management

3:30 – 3:45 pm Break/Exhibits

3:45 – 5:00 pm Orthognathic Surgery

Michael Miloro, DMD, MD

- patient assessment
- orthodontic considerations
- surgical procedures
- complications and management

5:00 – 5:15 pm Break/Exhibits

5:15 – 6:30 pm Cleft Lip and Palate/Craniofacial Surgery/DO/OSAS

Stephanie Drew, DMD

- CL/CP for the non-craniofacial surgeon
- epidemiology
- treatment planning
- common craniofacial syndromes
- distraction osteogenesis
- OSAS diagnosis and treatment

6:30 – 7:30 pm TMJ Surgery

Michael Miloro, DMD, MD

- current diagnostic criteria
- imaging modalities
- on-surgical and surgical procedures
- TMJ pathology
- end-stage TMD

7:30 pm Adjourn

Sunday, August 11, 2013

7:00 – 7:30 am Continental Breakfast

7:30 – 9:00 am Maxillofacial Pathology

Antonia Kolokythas, DDS, MSc

- benign and malignant lesions
- odontogenic cysts and tumors
- nonodontogenic lesions
- dermatopathology

9:00 – 9:15 am Break/Exhibits

9:15 – 10:30 am Maxillofacial Pathology (continued)

Antonia Kolokythas, DDS, MSc

- oral cancer and head and neck malignancy
- salivary gland disease
10:30 – 10:45 am  Break/Exhibits
10:45 – 1:00 pm  Maxillofacial Trauma  
Stephen MacLeod, BDS, MBChB  
- review of ATLS  
- sequencing pan-facial trauma  
- management of the mandible  
- management of craniofacial and midface  
- the orbit and zygoma  
- complications  

1:00 – 2:00 pm  Luncheon (included)
2:00 – 3:00 pm  Reconstruction  
Alexis Olsson, DDS  
- principles of reconstruction  
- microvascular free flaps  

3:00 – 4:30 pm  Reconstruction (continued)  
Antonia Kolokythas, DDS, MSc  
- soft tissue reconstructive techniques  
- non-vascularized bone grafting techniques  

4:30 – 4:45 pm  Break/Exhibits
4:45 – 5:45 pm  Infections/BRONJ  
Antonia Kolokythas, DDS, MSc  
- anatomy and microbiology  
- antibiotic therapy  
- principles of treatment  
- osteomyelitis/osteoradionecrosis  
- BRONJ diagnosis and treatment  

5:45 – 6:00 pm  Break/Exhibits
6:00 – 7:00 pm  Cosmetic Facial Surgery  
Kevin Haddle, MD, DDS  
- clinical patient evaluation  
- upper-, mid-, and lower-facial surgery  
- skin rejuvenation procedures  
- rhytidectomy, blepharoplasty, rhinoplasty  
- complications and management  

7:00 pm  Evaluations/CME Credit Forms/Adjourn

Registration Fee:  
Course registration fee is $1500 for practicing physicians  
$750 for residents and military personnel  

Course registration covers course materials, continental breakfast and lunch for two days.

Cancellation policy:  
Cancellations received in writing up to 15 days in advance of the meeting will receive a refund minus a $50 processing fee. There will be no refunds for cancellations after that date or for “no-shows”. Please make sure you receive a course confirmation before making travel arrangements.

Pfiedler Enterprises has the right to cancel this activity if necessary. Registered participants will be notified not later than two weeks prior to the scheduled event date and a full refund will be issued. Pfiedler Enterprises is not responsible for non-refundable airline tickets purchased for this course.
