

ISOMS Education Program with OMSNIC presents:

Defending the Specialty: Collaborative Patient Safety Principles

Saturday, June 8, 2024

9 AM - 12 PM

Join your colleagues for a 3- Hour morning education program covering Patient Safety and Risk Management – a Risk Management Premium Credit Course. Members and staff are welcome.

The focus of the program is to provide OMS attendees with the tools necessary to promote patient safety and improve quality outcomes while reducing liability and exposure to risks. Attendees will receive **3 CE credits** and a 5% premium credit for three OMSNIC policy periods. Registration fee: \$25

Course Description

Through an analysis of closed OMSNIC medical professional liability claims, this course will provide strategies and resources to reduce risk in the oral and maxillofacial surgery practice and improve defensibility in oral surgery related professional liability claims. Closed claim topics will include alveolar surgery, implants and those procedures involving advanced anesthesia. Risk management topics include documentation, communication, informed consent, and patient selection. There are no prerequisites.

Speakers - OMSNIC

Michael J. Stroncsek, DDS, MS
Suzanne Moy, BSHM, MBA, CPHRM

Location

**The Conference Center at the Hyatt Lodge Hotel
(across the pond)**

Course Objectives

- Identify common medical professional liability risks specific to oral and maxillofacial surgeons.
- Formulate policies and procedures to assist in improving patient safety and the defensibility of a potential claim.
- Relate communication and documentation strategies to support patient safety.
- Discuss current and emerging trends related to risk management in the oral and maxillofacial surgery specialty.

OMSNIC is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. OMSNIC designates this activity for three continuing education credits.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between OMSNIC and the Illinois Society of OMS.

Concerns or complaints about a CE provider may be directed to the provider or the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
